Happy June! It is so nice to finally see the trees in full bloom, feel the warmth of the sun , smell the burgers on the grill, and hear the final bell marking the beginning of summer break. Ah, what a great feeling. To be able to relax and rejuvenate after a wonderful school year. While we did start off with restrictions and masks, we were still able to have those moments we were all craving. We had a fantastic outdoor homecoming block party, with a dj, photo booth, ice cream truck, food, and activities. This was followed by pep rallies, fall sports, our first in person fall play, auditions for the spring musical, rounding out the first half of our year with an exciting in person holiday band and chorus concert. The second half of our year found restrictions lifted and masks became optional. Winter and spring sports were in full swing, with a series of one act plays, retreats, student art exhibits, NHS/NJHS, *Annie*, senior signing day, prom, spring semi formal, graduation, junior step up, eighth grade closing ceremonies and so much more. Let's just say, despite Covid we have had a successful, jam packed year. And we wouldn't want it any other way. Here's to a summer full of family, friends and fun. Stay safe, be well, and we will see you all soon!

Congratulations to the Class of 2022

On Thursday, May 24th, Saint Paul graduated 123 of our brightest young men and women with a beautiful ceremony held at Mechanics Hall, in Worcester. This year's Valedictory speech was delivered masterfully by Isabella Christie, and Daniel Mara Jr. was presented with the Knights Award. We look forward to seeing what the future holds for the newest members of our alumni community.

A Designer In The Making

From concept to creation, junior Abigail Burbeck sewed her prom gown into reality. Under the guidance of fashion club and art instructor Ms. Sena, Abigail was able take her drawing off the page and onto the red carpet. In the close up you will see the detail in each hand-sewn flower giving her dress a soft ethereal feeling. Classmate and fellow junior Natalie Hannoush also created her own prom skirt. A job well done!

Senior Art Exhibit

The class of 2022 had their Senior Art Exhibition, showcasing their dedicated artistic work completed this year. This was a very special moment for their work to be recognized as a class. Poster design for this event by senior Kya Birtz, highlighted and recognized senior art students as well as other artwork from the event.

May 2, 2022

Dear parent/guardian,

Applications for school bus transportation provided by the Worcester Public Schools for the 2022-2023 school year will continue to be accepted only through an on-line application process. Your school's unique user name and password can be found below. Completed forms will electronically record the date and time of submission. Please save the confirmation number you will receive upon successful submission of your application(s).

We recognize that all households may not have home access to a computer. As an option for those without on-line access, the Worcester Public Library main branch, as well as its satellite branches, has computers available to City residents at no charge.

Please note the list of transportation start dates based on application submission deadlines and that the on-line transportation application was re-designed for the 2019-2020 school year.

We strongly encourage you to submit a completed on-line transportation application for **each student** requesting transportation as soon as possible to assist us in creating the most efficient routes possible. Current stops will be eliminated if a new application is not received. Stops that become inactive during the school year will be eliminated to better serve those students regularly riding. Active routes can be found in the "Bus Routes" tab under the "Current Families" link at the bottom of the main page at www.worcesterschools.org

The website address for this application is: transapp.wpsweb.com (do not use www.)

School Name: **St. Paul's Jr/Sr High School**

Class of 2023 Senior Yearbook Photos

O'Connor Studio is the official photographer for Saint Paul Diocesan. What does that mean? It means O'Connor Studio will be there to capture our special moments: sporting events, team photos, student life, masses, prom, graduation...you get the "picture".

With all they give to our school, we have given them an exclusive contract to our senior photos. This means **All senior portraits** for the yearbook **MUST** be photographed by O'Connor Studios. This also keeps our pages uniform and looking their very best.

O'Connor has many different packages to choose from to fit all budgets. You can still do your casual photos both indoors and out, however formal book portraits will be on a gray background. For your convenience you can book your senior photo with O'Connor to be taken here at Saint Paul on Wednesday, August 17th, or you can go into one of their two studio locations, Leominster or Tewksbury MA.

To make your appointment visit their website at OConnorstudio.com., or call them at 978-460-6256.

Watch for a special 2023 Yearbook FAQ Sheet filled with dates, deadlines, and everything you need to know about yearbook coming to you via email this summer.
