

# VHS Learning AP STEM Program 23-24

Prior to starting VHS Learning courses, all students are required to complete the *Student Orientation* and review the *Student Handbook*. These two activities will help students become familiar with our online learning environment, will introduce them to our philosophy and policies, and will provide tips and strategies that will increase student success in our program. Review of the *Student Orientation* and *Student Handbook* can take 3-4 hours (often less) and is self-paced.

Saint Paul students may complete the orientation over the summer break if they wish, however we will spend the first 2-3 days of school going over the orientation and making sure everyone has access to their course. If you do choose to complete the orientation over the summer, you will not be able to start your course until it opens on 9/6/2023.

***It is a requirement of Saint Paul VHS students to check their SCHOOL email regularly. Once courses begin, you will receive weekly reminders and grade updates, along with any other important information that may pertain to you or your course. Over the summer, students taking AP courses should check their email for reminders about the summer office hours and extra help sessions.***

If you have any questions or issues over the summer, please contact Ms. D'Alessandro at [odalessandro@saintpaulknights.org](mailto:odalessandro@saintpaulknights.org)

If you are new to VHS this year, your username is **firstname.lastname** and your temporary password is **144Granite**

Follow the steps below to login and access the Student Orientation and Student Handbook:

1. Go to. To simplify future logins, please bookmark this page.
2. Enter your username and password and click the **Login** button. **Note:** If you have forgotten your password or did not create a password click [here](#).
3. Click the *Student Orientation* link in the upper left side of the page to begin the orientation.
4. A link to the *Student Handbook* is found in the box entitled **Student Links**. Click [here](#) to access the handbook from outside of the learning management system.
5. A link to your online course will be available on 9/6/2023 within the 'My Courses' box.
